

Environmental Policy

POLICY STATEMENT

Skipppers Transport Pty. Ltd. are committed to a level of Environmental awareness for all company employees, in all operations at all workplaces.

The company are also committed to ensure that adequate Environmental systems are in place and that all employees and contractors are trained and aware of their Environmental responsibilities whilst working for the company.

This will be demonstrated by:-

- ❖ The identification and assessment of Environmental requirements for each workplace.

- ❖ The introduction of Environmental systems and procedures that are regularly reviewed.

- ❖ A review of all relevant Environmental Legislation and current information to assist in the safe systems and procedures.

- ❖ The supply of appropriate personal protective equipment for employees where necessary.

**THIS POLICY WILL BE BEST ACHIEVED BY BOTH MANAGEMENT
AND STAFF WORKING TOGETHER.**
